

# APPLICATION FOR NON-DEGREE ENROLLMENT STATUS

Non-degree enrollment status is designed for students who wish to take courses for enrichment, continuing education, or lifelong learning but do not plan to pursue a degree. Non-degree students do not qualify for financial aid.

Students wishing to complete a degree at Marylhurst University must complete a formal application for admission. If you decide to seek admission to a degree program, be aware that credits taken under non-degree status may not apply toward that degree program. Please contact the Office of Admissions for more information.

**Once you apply for non-degree admission you will receive a letter containing your Marylhurst ID and other information about how to register for classes.** There is no fee for applying for non-degree enrollment status.
