COURSE TITLE	AUTHOR(S) TITLE(S)

I understand and agree to the following:

1. GRANTING PERMISSION: I (the "Author(s)") grant to Marylhurst University permission to use, reproduce, and distribute for promotional purposes via the World Wide Web and in any other media now known or hereafter developed, the materials provided by me as identified by the Work Title and Course Title listed above (the "Materials").

2. ACCESSIBILITY: I understand and acknowledge that the Materials will be accessible by the general public, and that Marylhurst University cannot be held responsible for any misuse of Materials by a third party.

3. ACCURACY OF MATERIALS: I acknowledge that I am solely responsible for the correctness of my Materials, their adherence to high academic standards, and their accurate reflection of the content and pedagogy of the course.

4. ATTRIBUTION: Unless I decline below to have my name associated with the Materials, Marylhurst University will attribute any use of any of the Materials in a form that will include my name, my title or status, the year the Materials were created (as indicated on the Materials), and any copyright information (as indicated on the Materials). Marylhurst University agrees that it will not post my telephone number, email address or any other contact information.

I (check one) choose decline
to have my name associated with my Materials.

5. STATUS OF COPYRIGHT: Marylhurst University acknowledges that nothing in this agreement will constitute a transfer or assignment of the copyright in the Materials to Marylhurst University. Marylhurst University further acknowledges that I will continue to own any copyright that I currently hold in any of the Materials.

6. AUTHORITY AND THIRD-PARTY PERMISSIONS: I represent that, except where the Materials indicate otherwise, I am the owner of the copyright or other proprietary right in the Materials and that I have authority to grant this permission. I further represent that I have identified and/or labeled all parts, items and materials incorporated into the Materials that may be subject to a copyright or other proprietary right held by a third party. In the event a Marylhurst employee or student is named in a third-party action regarding the Materials, Marylhurst University may indemnify the named employee or student, provided the employee's actions were made in good faith and within the scope of their duties or responsibilities. Where multiple Marylhurst University contributors have added materials through multiple offerings of the course over time, I have identified those contributors, where known. I understand that Marylhurst University will attempt to obtain any required permission or copyright clearances necessary for publication of the Material and that I am not obligated to do so. If any of the Materials are based upon work that I completed from a grant or agreement sponsored by a third party, other than Marylhurst University, I represent and warrant that I have fulfilled any right of review or other obligations required by such contract or agreement.

Important: Unauthorized use of third-party copyrighted work is illegal, unethical, raises significant financial liability, and damages the reputation of Marylhurst University and its faculty. Contributors must exercise scrupulous care to identify the source of every third-party owned element in the Materials.

7. STUDENT WAIVER: If I am a Marylhurst student, I understand that if I have elected above to authorize Marylhurst University to publicly disclose my name and title or status, as an author of the Materials to third parties accessing the Marylhurst Web site, I am waiving rights that I may have under the Family Education Rights and Privacy Act, to withhold this student information from disclosure, and that my grant of rights to Marylhurst is perpetual, and accordingly, this student information will remain available following the term of any class in which I may have created the Materials.

8. RIGHT TO REVOKE: I retain the right to revoke, in writing, this waiver and the rights granted to Marylhurst to use my name, title/status or Materials (understanding that Marylhurst has no obligation to address any uses of my name, title/status and Materials by any one accessing the Materials prior to this revocation).
